better get up and face my day  
could have been a little warmer  
yeah, you said it'd be okay  
if I could stay a little longer  
and I don't know how I can leave you  
I just want to stay  
but I gotta get away  
yeah, I wanna see the sunshine  
hey and I just wanna play  
yeah I wanna hit the big time  
why do you always cry  
when I go  
why do you always cry  
when I go  
I don't know how I can leave you

lay your blanket over my head  
(you see why I can't leave you know I wanna)  
try to remember all that you said  
(you see why I can't leave you know I wanna)  
lay your blanket over my head  
(you see why I can't leave you know I wanna)  
try to remember all that you said  
(you see why I can't leave you know I wanna)  
try to remember all that you said  
I don't know how I can leave  
I just want to stay
