Lately I've been thinking,
You're not who I thought you were,
I say that's Ok, cause you are,
And I know

Could it be so easy, I can't tell,
Do you need my help?,

Now where does that put me?,
A pawn inside a bigger plan,
I say that's ok cause
You alone ya make me who I am,

Could it be so easy?, I can tell,
That you don't need my help,

(They call me) Crazy,
I'm living in the truth,
(Of how you) love me,
In spite of all that I do,
And all you want from me is, for me,
To close my eyes and see,

So I must confess now,
It's time to live what I believe,
And I won't second guess how
Strong Your love it lives inside of me,

Could it be so easy, I can tell,
That you don't need my help,

(They call me) Crazy,
I'm living in the truth,
(Of how you) love me,
In spite of all that I do,
And all you want from me is, for me,
To close my eyes and see,

(They call me) Crazy,
I'm living in the truth,
(Of how you) love me
