"Keep it right here in front of you,  
Remember, that I am on your side"  
It takes time, to remember,  
When you were lost and down,  
So you try, try to realize,  
But there's no place to hide,  
Over time, it will wrap it's lies around you. In this

Mad, mad world,  
Is pulling me, when will it stop,  
This mad, mad world,  
Won't keep me, won't keep my heart, away from You  
my love.

When will I ever be with You?,  
Forever, when will I see my Love?  
The noise inside, it's not forever,  
I know You're all around,  
One more time, will You let me simply feel You (cause  
this)

This mad, mad world,  
Is pulling me, when will it stop,  
This mad, mad world,  
Won't keep me, won't keep my heart,  
This mad, mad world,  
Is pulling me, when will it stop,  
This mad, mad world,  
Won't keep me, won't keep my heart,

Don't you wake up and wonder, why a hero,  
Would love You and I?,  
For a moment, forever, you would know it's alright, it's  
alright, (when this)

This mad, mad world,  
Is pulling me, when will it stop,  
This mad, mad world,  
Won't keep me, won't keep my heart,  
This mad, mad world,  
Is pulling me, when will it stop,  
This mad, mad world,

Won't keep me, won't keep my heart,
