Welcome to non-fiction,  
Welcome to the pain,  
Welcome to the madness,  
Of black and white and gray,  
Say, hello to the sadness,  
Of every day,

### CHORUS

This is the way, this is the way it works, (He's)  
Taken away, taken away the hurt,

Welcome to redemption,  
Welcome to the truth,  
Welcome to your freedom,  
Freedom from you,  
Say, hello to tomorrow,  
Goodbye yesterday.

### CHORUS

### BRIDGE

Welcome to the planet,  
Welcome to today, say  
Hello to tomorrow,  
Goodbye yesterday.
