Livin' life, killin' time, that's all I do these days
Wakin' up from the drug of dark complacency
Tell me when did I go across that line
Tell me how do I go back in time

(Yeah)
You wake me up and
You make me love, yeah
You, it's You
It's You, I need so much, yeah
You, I'm so in love with
You, it's You

Bid in me, life unseen that's all I ask of You
Call me from what I've become
Make me all the more like You
Tell me when did I go across that line

Tell me how do I go back in time

(Yeah)
You wake me up and
You make me love, yeah
You, it's You
It's You, I need so much, yeah
You, I'm so in love with
You, it's You

You always walk a thousand miles in front of me
You always walk a thousand miles in front of me

(Yeah)
You wake me up and
You make me love, yeah
You, it's You
It's You I need so much, yeah
You, I'm so in love with
You, It's You

All my love for You
Everything for You
So in love with You
