Forbearing glances to one to one
It was, the best talk we've had in a while
I'm confused, constant change of mind
Can't you give me something
Make this easy

Do whatever you wish with your life
And you were my saviour wasting my time
And now I'm buried
Are you happy
You re-entered my desolate life
You claim what you want but dissatisfied
You turn your back
Deny all the facts

Expose yourself to the fear
I deny the truth, it's not welcome here
Darkness, grace, all I can convey
Is the numbness I feel, sorrow with me

Do whatever you wish with your life
And you were my saviour wasting my time
And now I'm buried
Are you happy
You re-entered my desolate life
You claim what you want but dissatisfied
You turn your back
Deny all the facts
Deny all the facts

Silence reigns in my mind (silence reigns)
Silence reigns in my mind (silence reigns)
Silence...
Silence...

Do whatever you wish with your life
And you were my saviour wasting my time
And now I'm buried
Are you happy
You re-entered my desolate life
You claim what you want but dissatisfied

You turn your back
Deny all the facts
