Morning, noon and at night  
temptations I can't fight  
hoist pints, imbibe, delight...

so sly, that guy, he's dried... DRY HOPPED! that sly  
Hopduvel  
he plys in guise so wise... CANNABIS?!? evil Hopduvel!  
today mugs raised in praise... HOPPED UP! for the  
Hopduvel  
bongs blazed, eyes glazed, way dazed... PROPPED UP!  
confound the Hopduvel

Nick's brews, a few, your stewed... HOP SUCKED! by the  
Hopduvel  
with shrooms, you vroom, mind blooms... DROP OUT!  
Leary as Hopduvel  
more trays, mugs raised, your saved! HOPPED UP! by  
the Hopduvel  
bowls blazed, eyes hazed, mind phased... PROPPED UP!  
stonehead Hopduvel  
Revived for a bout of wicked liquid clouts form lambics,  
weizens, stouts  
ein stein in my grip, nectar raised to lips, a joyous sin  
each sip!  
malted incantations fortell my vexation, fiendish  
inebriation

some more? of course, we pour... POUR MORE! says the  
Hopduvel  
adore and soar, hit the floor! KNOCKED OUT! by the  
Hopduvel  
bongs blazed, amazed, half crazed... HOPPED UP! for  
the Hopduvel  
four days a haze of praise! HOPPED UP! my God  
Duvel!!!
