Age of longing for demise
Only skin dragging bones
Pitiful mourns
Endless destiny
To turn to smoke and dust

Committing all the sins
With no consequences
A grand obscenity
Scheme of ultimate deceit

Ancient image of death
The deepest depths of horror
A diabolic master plan
Not to succumb to the damned

Mummified in slumber
Awaiting to appear
Death deceiver
Exmortem

Committing all the sins
With no consequences
A grand obscenity
Scheme of ultimate deceit

Ancient image of death
The deepest depths of horror
A diabolic master plan
Not to succumb to the damned
