The proud destroyer
A manifest of tyranny
An engineer of torture
A blatant disregard for human life!

Icecold Ugliness
Taste the bitter fluids of death
Icecold Ugliness
A substance of war and degrading

Depressive discipline
Bearer of negativity
Reasonless violence
Deathlike shapes
(Obscure monuments made of the dead...)

Mr. Violator
A manifest of tyranny
Obsessed with destructive behavior
Spilling their blood is your game

Icecold Ugliness
Taste the bitter fluids of death
Icecold Ugliness
A substance of war and degrading

Feel the cold breeze
Evil breath at you
Infernal rites
Take their lives!

Mr. Violator
A manifest of tyranny
Obsessed with destructive behavior
Spilling their blood is your game
