"The Conqueror"

The conqueror rules
And sovereignty is his brand
Creative destruction
The coming of modern fimbulance

Grim destruction
Glorious (re)creation

Praise creativity
And see your own kingdom rise
Fade into grey
And follow the weakened

The conqueror rise
And sovereignty is his brand
Creative destruction
The coming of modern fimbulance

The future is formed by those who sees it
Destroy the limited
And awake the giant within

Lead the pack
To new horizons
