Sentenced in torment for my unearthly sin  
Black sacrifice paid in blood  
Ripped apart. no way to win

Unreal pleasure floods my mind  
Fatal payment a matter of time

Wretched ecstasy from horrid agony  
The cenobites they writhe  
The sanity on their prey

Awaiting your damaged soul  
Hooks rip now blood flows  
Life force drained out corrodes  
Loss of your control

Lead: Brian Werking

Elder ones they chant  
Forbidden words to the sky  
Lapidation of the dead  
Resumption of torment in your head

It's to late to repent  
The gates are nearly shut

Virulent intention feel their corpsly lust  
Funeral of horror you cry for your soul

Drown forever in my sea of gore

Putrid depth's eternally yours  
Exmortis your masters  
They laugh as you are scorned  
Trapped forever no way back  
Extraction of your soul  
Agony splits the night

Lead: Brian Werking

Terror reigns on you now  
Suffer agonizing pain

Fate shall bring you sadness  
Perish beyond the realms of madness
