It is no mystery  
What you get is what you see  
You betrayed my loyalty  
You've gone and done me wrong  
Now I do you harm  
My revenge is guaranteed

You stabbed me in the back  
Spit right in my eye  
Dragging me into the fray  
Take you out, write you off  
There's never enough  
Ways to throw you away

You better start runnin'  
'Cause you know that I'm comin'  
Cocked and loaded and I never miss  
I'm onto your game  
And I'm layin' the blame  
And I'm addin' your name to my blacklist

You should've thought twice  
'Cause you're playin' with your life  
You must have some sort of death wish  
I haven't any doubt  
That your time has run out  
'Cause I've added your name  
To my blacklist

You tried to beat me  
Thought you could defeat me  
But how you we ever wrong  
I rise to the occasion  
Character assassination  
To put you down where you belong

You've got a lot to say  
When I'm so far away  
Now you've got a problem with me  
Take you out, write you off  
When I've had enough  
Of your verbal debris

You better start runnin'  
'Cause you know that I'm comin'  
Cocked and loaded and I never miss  
I'm onto your game  
And I'm layin' the blame  
And I'm addin' your name to my blacklist

You should've thought twice  
'Cause you're playin' with your life  
You must have [Incomprehensible] death wish  
I haven't any doubt  
That your time has run out  
'Cause I've added your name  
To my blacklist

For all the shit you talk  
You've never walked the walk  
All you do is run and hide  
Slander me, slag me  
You better body bag me  
I'm not a man you should deride

I've heard everything  
All your mudslinging  
You better run, as fast as you can  
Take you out, write you off  
Are you brave enough  
To stand up and fight like a man?

You better start runnin'  
'Cause you know that I'm comin'  
Cocked and loaded and I never miss  
I'm onto your game  
And I'm layin' the blame  
And I'm addin' your name to my blacklist

You should've thought twice  
'Cause you're playin' with your life  
You must have [Incomprehensible] death wish  
I haven't any doubt  
That your time's run out  
'Cause I've added your name  
To my blacklist

And I got your name to my blacklist  
[Incomprehensible] your name to my blacklist  
I've added your name to my blacklist

I've added your name on my blacklist  
I've added your name on my blacklist

I've added your name on my blacklist  
I've added your name to my blacklist
