Black magic rites on this black evil night
Begin with the slice of the blade
Metal and blood come together as one
Onlookers they gasp in dismay

Taste the sweet blood of one another
Sharing without any greed
Bang your head as if up from the dead
Intense metal is all that you need

Murder in the front row, crowd begins to bang
And there's blood upon the stage
Bang you head against the stage
And metal takes its price, bonded by blood

Metal takes hold, death starts to unfold
It's loud like the worlds at an end
Your in a blood fury the metal won't stop
Onlookers they bang at command

Cutting your palm and drinking your blood
The power that few others dare
You feed the need to go out and kill
The same need that your blood brother shares

Murder in the front row, crowd begins to bang
And there's blood upon the stage
Bang your head against the stage
And metal takes its price, bonded by blood

Black magic rites on this black evil night
Begin with the slice of the blade
Metal and blood come together as one
Onlookers they gasp in dismay

Taste the sweet blood of one another
Sharing without any greed
Bang your head as if up from the dead
Intense metal is all that you need

Murder in the front row, crowd begins to bang
And there's blood upon the stage

Bang your head against the stage
And metal takes its price, bonded by blood
