[Intro:]
ne na ne na Cops are after me
Ne na ne na Cops are after me
Ne na Cops are after me
Here they come

[Verse 1:]
You go to a pub a public place
They call you a sob you get in a fight
They draw their guns and they fuck you up
Then they put you away for life

[Chorus:]
I hate cop cars
I hate cop cars
Ne na , ne na
I hate cop cars

[Verse 2:]
Downtown they want you to listen
Get moved on when you make phone calls
They don't care if their wrong or right
They don't care if your sods or cunts

[Chorus]

Let's hear ya!
I hate cop cars
I hate cop cars
I hate cop cars
I hate cop cars!

[Verse 1]

[Chorus]
