I've been lookin forward to liftin up the veil
Guess is the answer you know that for sure
The night time is the right time don't you know girl
You've heard it before
Hey

Inhaler, inhaler
Yeah yeah yeah
Yeah yeah yeah
Inhaler, inhaler
Yeah yeah yeah
Yeah yeah yeah

Cold is the shoulder you'll give me for sure
Dance with your hips and grind on the floor
The night time is the right time don't you know girl
You've heard it before

Hey
Inhaler, inhaler
Yeah yeah yeah
Yeah yeah yeah
Inhaler, inhaler
Inhaler, inhaler
Yeah yeah yeah
Yeah yeah yeah

Inhaler, inhaler, inhaler, inhaler!
Yeah yeah yeah
