Sister tell me am I the only one
Sister... dream I'm having fun
Maybe I... walk away
... love to stay

Chorus:

Ever since she learn to fly
She doesn't kiss me kiss me goodbye
Ever since she learn to fly
Why don't you kiss me goodbye

Sister tell me am I the only one
Sister... dream I'm having fun
Maybe I... walk away
... love to stay

4 x Chorus:

Ever since she learn to fly
She doesn't kiss me kiss me goodbye
Ever since she learn to fly
Why don't you kiss me goodbye
