Said so near the punk is dead
Here was you a modern tend.(of tendention)
Don't let it losing don't any worse
And all cruise up tha the punk is dead

Punk's not dead i know [x4]

*We're all punks and we don't care
That was price to dye our hair
Blow the trapist in your face
With about tone of noise*

[Refrain]

*It acsros to any law
Have no fear 'till the day I die
We all here use just to walk around
Don't like?I'll hitchu to the ground*

[Refrain]
