(Whistles)

Run run run away so long lost never comin  
Home rollin rollin down a track  
No no I'm never comin back  
Love pumpin in my veins  
Our love I hope it's not too late  
That's the road that's the load that's the role  
I've been down I've been down I've been down down

(What's part of forever)  
(Don't you understand)

I could stay stay stay, if that's what you want want want  
I'd give it to you you you  
If I had a heart heart heart  
And we could go go go  
And never look back on now  
I'd give it to you you you  
If I had a heart heart heart

Run run run away so long lost never comin  
Home rollin rollin down a track  
No no I'm never comin back  
Love pumpin opening my veins  
Our love I hope it's not too late

That's the road that's the load that's the role  
I've been down I've been down I've been down down

I'd give it to you you you  
If I had a heart heart heart  
And we could go go go  
And never look back on now  
I'd give it to you you you  
If I had a heart heart heart

Imagine eternity, doesn't seem that long  
They say nothing lasts forever  
We'll have to prove them wrong

I could stay stay stay, if that's what you want want want  
I'd give it to you you you  
If I had a heart heart heart  
And we could go go go  
And never look back on now  
I'd give it to you you you  
If I had a heart heart heart
