Off-Route class, we don't need 'em  
Middle-Class, help the fever  
Working-Class, I'm with them  
Nobody around, never shout

"Class War!"  
Do you want it?  
"Class War!"  
We don't either.  
"Class War!"  
Can you see it?  
"Class War!"  
Mein Kampf keep out!

I see a house and everyone's dead  
Diamond-stealing bastards, those cops stole grass  
Middle-workers know the truth,  
I'm the last one, the last rebel

"Class War!"  
Do you want it?  
"Class War!"  
We don't either.  
"Class War!"  
Can you see it?  
"Class War!"  
Mein Kampf keep out!

Keep out and back, we'll kick your ass  
Test your luck, don't tread so fast  
Moaning, groaning, don't give a f\*\*\*  
Kick your ass, ya' want some more?

"Class War!"  
Do you want it?  
"Class War!"  
We don't either.  
"Class War!"  
Can you see it?  
"Class War!"  
Mein Kampf keep out!
