Mother england dressed in her dress  
Tell your kids  
What a bloody mess  
Come politicians  
Buttons on their breast  
New at ten  
Go with labour

[chorus:]  
Daily news daily news we gotta find out  
Daily news daily news wanna buy

Maggie thatcher prices on her dress  
Just can't escape from  
And election vest  
He's got a chance  
So he had to point a gun  
He had a bit of pressure  
You wouldn't get no parole

[chorus]

I never touch the star  
That's for others,the star

I know maggie thatchers in her dress  
Telling the civilians  
What a fucking mess  
One disaster  
He did it for free  
They're just a bunch of arseholes  
They're all a sham

[chorus]

Records in my house  
Going up in smoke  
Records are destroyed  
What a fucking joke  
Records end up  
Mucking up your life  
Russian soldiers, thekgb

[chorus]

Still 12 deaths
