body's right for you  
don't you bargain  
some special rate  
standard pressure  
shut you flys  
furry thing is under your coat

Germs go go go you  
[repeat]

have a suck just while I go  
body pressure playing some  
jailbraker gas again  
funny seems i got no legs

Germs go go go you  
[repeat]

get us a rope  
tell you now  
i won't say two so don't do that  
never half it muck about  
the child knows about her own teddy bear

Germs go go go you  
[repeat]  
Germs go go go you  
[repeat]  
Germs go go go you  
[repeat]

billy i don't know how you worked it out  
hey you how did you work it out

Germs go go go you  
[repeat]
