Sid shot dope and then got drunk  
He did it his way 'Punk'  
He didn't have a problem  
Till he met that bloody cunt

Sid Vicious was innocent  
Sid Vicious was innocent  
Sid Vicious was innocent  
Sid Vicious was innocent

They say he killed her  
It can't be so  
The fucking queen should know  
Heroin and anarchy, ah ah, ah ah

Sid Vicious was innocent  
Sid Vicious was innocent  
Sid Vicious was innocent  
Sid Vicious was innocent

Innocent, innocent  
Innocent, innocent

It's not his fault that she died  
He liked his chick fried  
Now his face is on my shirt  
We won't forget his famous smirk

Sid Vicious was innocent  
Sid Vicious was innocent  
Sid Vicious was innocent  
Sid Vicious was innocent

Innocent, innocent  
Innocent, innocent
