Hey! Ooh, baby
Oh, baby

Ever been in love
And really wanted someone special?
Every second counts
From the moment I first had you

I had a feeling
You could turn my world around
I just never thought it would be upside down

Didn't it hurt to hurt me?
Didn't you feel it inside?
Didn't it hurt to hurt me?
Didn't it hurt to see me cry?
Didn't it hurt to hurt me?
Were your feelings aside?
Didn't it hurt to hurt me?
Didn't it hurt, so look who's crying now
Who's crying now?

Now a memory
Of the love I thought we found
You should have known
That I'd never share you with another

I can't understand it
I couldn't even sleep at night
And now, I want you to think-a about me

Didn't it hurt to hurt me?
Didn't you feel it inside?
Didn't it hurt to hurt me?
Didn't it hurt to see me cry?
Didn't it hurt to hurt me?
Were your feelings aside?
Didn't it hurt to hurt me?
Didn't it hurt, so look who's crying now

I thought that maybe

You could give this another try
And I thought that maybe (maybe)
You were just hiding another side (another side)

When I think of all the pain,
The pain that was left to subside
But now, I think it's too late for you to cry

SAXOPHONE SOLO

Didn't it hurt to hurt me?
Didn't you feel it inside?
Didn't it hurt to hurt me?
Didn't it hurt to see me cry?
Didn't it hurt to hurt me?
Were your feelings aside?
Didn't it hurt to hurt me?
Didn't it hurt, so look who's crying now
(Didn't it hurt?) Who's crying now?

Didn't it hurt, didn't it hurt?
Didn't it hurt, didn't it hurt?
Didn't it hurt, didn't it hurt?
Didn't it hurt, didn't it hurt?
(2x)
