Changing stages to the love and games
Silent whispers in the falling rain
It took your heart to expose me to love
There's a look (there's a look) in your eyes (in your eyes)
And in your smile even just for a while
In the still (in the still) of the night (of the night)
I've got to show you, baby, how I feel, oh (oh)
And melt you with my love

Exposed to love, ohhh ohhh
Never felt like this love
Exposed to love, ohhh ohhh
Never felt like this love

Hear my echoes, they are not in vain
Listen to me before I go insane
You found a way into my open arms
Like the stars (like the stars) heart to heart (heart to heart)
Is there a way for me to sing you this song
In the heat (in the heat) of the night (of the night)?
I've got to show you, baby, how I feel, oh (oh)
And melt you with my love

Exposed to love, ohhh ohhh
Never felt like this love, ohhh ohhh
Exposed to love, ohhh ohhh
Never felt like this love, ohhh ohhh

INSTRUMENTAL BRIDGE

I've got to show you, honey, how I feel, oh (oh)
And, boy, I'll melt you with my love

Exposed to love, ohhh ohhh
Never felt like this love, ohhh ohhh
Exposed to love, ohhh ohhh
Never felt like this love, ohhh ohhh
Exposed to love

(Ohhhhhhh, ohhhhhhh)
(Never felt like this love, never felt like this love
Never felt like this love, never felt like this love)

Exposed to love, ohhh ohhh
Never felt like this love, ohhh ohhh
Exposed to love, ohhh ohhh
Never felt like this love, ohhh ohhh
(repeat and fade out)
