I was taken the moment your eyes met mine
My imagination never had a better time
Oh yeah

I was always the one
Keeping things cool,
Setting the pace,
Making the rules,
But you've got the power to turn that around

CHORUS:

Uh-oh, I think I'm in trouble now
(Oh, I think I'm in trouble) And I can't get out
Oh no, I'm losing control somehow
(Oh, I think I'm in trouble) I think I'm in trouble

I'm not romantic, flowers don't make me cry
Ooh, I'll take my chances, put it all on the line

Let myself go (let myself go)
Just for a while (just for a while)
Think you should know (think you should know)
It's not my style (it's not my style),
But you've got the power to turn that around

CHORUS (2x)

INSTRUMENTAL BRIDGE

I'm in love and I must confess
That my heart's been known to make a mess
I'll say my prayers, hope for the best
Am I in trouble? The answer is yes

INSTRUMENTAL BRIDGE

I was always the one
Keeping things cool,
Setting the pace,
Making the rules,
But you've got the power to turn that around

CHORUS
(repeat and fade out)
