I tell myself, "Don't call him up"
But I long to hear your voice so much
I've got no choice and no free will
All I know is that I want you still
(Ooh!)

Late at night (late at night) lying in bed,
I let my heart (I let my heart) fill my head
It tells me

CHORUS:
I'm still hung up on you
I'm going crazy, what am I gonna do?
My mama says find somebody new
But I'm still hung up on you

(Ooh!)

Oh, I remember the way we kissed
Oh, and, baby, that ain't all I miss
The other boys don't mean a thing
I don't really want the love they bring
(Ooh-oo!)

Late at night (late at night) lying in bed,
I let my heart (I let my heart) fill my head
It tells me

CHORUS

Still hung up on you, yeah ooh
Still hung up
Still hung up on you
(Ooh-oo!)

Late at night (late at night) lying in bed,
I let my heart (I let my heart) fill my head
It tells me

CHORUS

I'm still hung up on you
I'm going crazy, what am I gonna do?
I stay awake the whole night through
'Cause I'm still hung up,
Still hung up on you

Still hung up on you
I'm going crazy, what am I gonna do?
I'm still hung up on you
My mama says find somebody new
I'm still hung up on you
I'm going crazy, what am I gonna do?
