I was taken the moment your eyes met mine
Well, my imagination never had a better time, oh yeah

I was always the one
Keeping things cool
Setting the pace
Making the rules
But you've got the power to turn that around

Uh oh, I think I'm in trouble
(Oh, I think I'm in trouble)
And I can't get out
Oh no, I'm losing control somehow
(Oh, I think I'm in trouble)
Oh, I think I'm in trouble

I'm not romantic, flowers don't make me cry
Ooh, I'll take my chances, put it all on the line

Let myself go
(Let myself go)
Just for awhile
(Just for awhile)

Think you should know
(Think you should know)
It's not my style
(It's not my style)
But you've got the power to turn that around

Uh oh, I think I'm in trouble
(Oh, I think I'm in trouble)
And I can't get out
Oh no, I'm losing control somehow
(Oh, I think I'm in trouble)
I think I'm in trouble

Uh oh, I think I'm in trouble
(Oh, I think I'm in trouble)
And I can't get out
Oh no, losing control somehow
(Oh, I think I'm in trouble)

Oh, I think I'm in trouble

I'm in love
And I must confess
That my hearts been known
To make a mess

I'll say my prayers
Hope for the best
Am I in trouble?
The answer is, "Yes"

I was always the one
Keeping things cool
Setting the pace
Making the rules
But you've got the power to turn that around

Oh love, I think I'm in trouble
(Oh, I think I'm in trouble)
And I can't get out
Oh no, losing control somehow
(Oh, I think I'm in trouble)
I think I'm in trouble, oh no

Uh, oh, I think I'm in trouble
(Oh, I think I'm in trouble)
And I can't get out
Oh no, losing control somehow
