You tell me I'm the only one  
That my love is second to none  
You have to practice the love you preach  
If my love you want to keep

Don't hold back on your love  
You don't know what you're missin' until I'm gone

You don't know what you got  
Until you lose it, you abuse it  
You don't know what you got  
Don't confuse it, how you use it  
Come on

Don't give me all material things  
Don't you tell me what you really don't mean  
I don't need your lovin' that bad  
I can read between the lines

Don't hold back on your love  
You don't know what you're missin' until I'm gone

You don't know what you got  
Until you lose it, you abuse it  
You don't know what you got  
Don't confuse it, how you use it

You don't know what you got  
Until you lose it, you abuse it  
You don't know what you got  
Don't confuse it, how you use it

Don't hold back on your love  
You won't know what you're missin' until I'm gone

You don't know what you got  
Until you lose it, you abuse it  
You don't know what you got  
Don't confuse it, how you use it

You don't know what you got  
Until you lose it, you abuse it

You don't know what you got  
Don't confuse it, how you use it

No no no no no no no no  
No no no, what you got  
No no no no no no no no  
No no no, what you got

No no no no no no no no  
No no no, what you got  
No no no no no no no no  
No no no, what you got  
No no no no no no no no
