Smokin on that fire hay, takin the back streets where I

(Heavy D)

And you gon do it this way
Cause you gon feel it my way
(Baby check me out now)

Maybe it's my jewelery
Don't know bout where you from
But where im from we get it done

(Chorus 3.5x)

You know my role don't slow
You know my doe flow so
Sit back and po moe slow
While you out on the flo

No need to talk no mo
Baby come on lets go
