"River Of Purity"

The powerful Prince
Will baptize us in purity
All evil powers
Must yield to holiness

The river of purity flows through
The lives of the holy
To arm them

Against the dark legions

The homes of the holy will be marked
With the blood of the sacrificed lamb
The Lord will protect
His servants from all evil

The Lord loves
The pure of heart
His gaze is too pure
To see the wickedness

The holy desire to purify
The world's ungodly sins
And twisted souls
The time for the King's return is near
They are lost who by then

Have not sought after peace

In their innermost chambers
