"Seek The Righteous"

Emptiness fills my soul

Hunger for a love I don't even know exists
Searching not finding
What is the purpose of this meaningless life

Thank you Lord for saving me
In all eternity I will be free
I humbly with reverence seek Your name
To give honour and glory to You who reign

By God we were made
To live in fellowship with Him
To sacrifice flesh
For the peace of God's presence
Seek His name with an honest heart
And confess with your mouth
That Jesus Christ is Lord

Thank you Lord for saving me
In all eternity I will be free
I humbly with reverence seek Your name
To give honour and glory to You who reign

Jesus hung on the tree
God freed us from Satan
Through the resurrection
Because of our faith in God
We have His righteousness
So that we can know Christ
And the power of His resurrection
Jesus is God

Thank you Lord for saving me
In all eternity I will be free
I humbly with reverence seek Your name
To give honour and glory to You who reign
