Chorus

When you hoes is lonely in the night  
All you need is the one who can make it right  
Just get back and page me  
I will find a way

Baby girl its me time  
Lets do it like the dogs by the street sign  
Combine with the beast that's bout the shiekin'  
Sweet is the wine I sip off your thigh  
Reeking the smell of the cream that just slipped in your  
eye  
Peeking at you fannie  
Swing back and forth in your panties  
Smoke a tenny, pop the remy  
Its another Annie  
Heartbreak, if your smart take of your tennies  
Throw on them red heels tender  
Remember me not being sober  
I hit the curb when I pulled over  
You was cool cause I was riding that toyoter  
Since I'm the kind who macking for sex  
I hit the pedal then came back in the lex  
Why did it take all that  
For you to fall flat, on your face  
While my balls slap the pace  
Of your cushor  
Japanese or African sisters  
Laughin' at bustas  
Because you back with the hustler

Chorus x2

You said your man went to jail  
Wanna give me that tail  
His ATU at nine  
Time will reveal  
I showed up with my sex motor over your quota  
Little ginny in my glass of soda its over  
I'm givin' all my sex  
Your man called collect

To give y'all respect  
I withdraw the bed  
Hung up ensured him that the pussy's untouched  
But you keep telling me in person how you love it so  
much  
And probably  
Keep the lights on just to see my body  
A hobby is what we call it  
But can't live without it  
I'm noddin' fast asleep  
In the nasty sheets  
Pass my glass of tea  
So the wrath in me, can blossom  
Everynight a different way to toss'em is awesome  
Takin' flicks of all the naked shit you see the boss is  
Tellin you to tell your man that your girlfriend took'em  
So he can smile when he lookin'

Chorus x2
