

Extreme "Comfortably Dumb"

I'm paralysed
Process information
At the speed of light
I'm frozen
In motion
Desensitized
Over stimulated matter
Over mind
Knowing I have become
Comfortably dumb
I have become
Comfortably dumb

I must confess
Highly educated
In my ignorance
Not stupid
Still lucid
Indifferent
Watching a world
Amuse itself to death
I'm muted
I have become
Comfortably dumb
I have become
Comfortably dumb

What? When?
Why? Where?
How come?
Who cares?
Knock, knock
Who's there?
No one
How come?
Who cares?

I have become
Comfortably dumb
I have become
Comfortably dumb

Take me away
So far away
So far away
Won't somebody
Take me away
Take
Take it all away
