

Extreme **"Fair Weather Faith"**

Pretending to act so serene
On your so called submissive knees
A shopping list of begging pleas
Adds to your complacencies

As soon as the sun don't shine your way
And you're saving it all up that rainy day
It's a matter of time before you get down 'n' pray

Fair weather faith - protect me from the storm
Fair weather faith - gonna right all my wrongs

Fair weather faith - you know i'm doing alright
Fair weather faith - out of mind, out of sight

Well I wonder if the man upstairs
Will bother to lend an ear
If you took the time to share
Another one of your puppet prayers

I ain't talkin' 'bout the weather
