If you don't like what you see here
Nobody wants to take you prisoner
So, let me make it nice and clear, dear
The exit is right there
I don't mean to be rude, dude
But you'd better change your attitude
(I don't like what I see here)

You're all invited to the party
You know you didn't have to come
No rotten apple's gonna spoil my fun

If you don't like what you see here
Get the funk out
We won't try to force feed you
Get the funk out

[Incomprehensible]
I'm bad, [Incomprehensible] boy
You can't please everybody
But everybody cannot please me
(I don't like what I see here)
That's why I do what I want to
So why don't you do
Do it to too, do it to me hey

And if you don't like what ya see
You can always leave the country
(I don't like what I see here)
Yeah, yeah yeah

You're all invited to the party
You know you didn't have to come
No rotten apple's gonna spoil my fun

If you don't like what you see here
Get the funk out
We won't try to force feed you
Get the funk out

If you don't like what you see here
Get the funk out

We won't try to force feed you
Get the funk out

Get the funk out
We won't try to force feed you
