No women allowed

Let me tell you about this love and hate relation
Between a man and a woman
And so none of you all get the wrong interpretation
I can't live with them, I'm gonna die without them

Sooner or later
You'll be a he man woman hater
It's inevitable

And to become one
You've gotta really hate to love them
He man woman hater

He man woman hater
You know I love to hate, 'cause I hate to love them

He man's behavior doesn't need no explanation
We all got a one track mind
He man have always had a sexual preoccupation
It's gonna be your place or it's gonna be mine

Sooner or later
You'll be a he man woman hater
It's inevitable

And to become one
You've gotta really hate to love them
He man woman hater

He man woman hater
You know I love to hate, 'cause I hate to love them
He man woman hater
I can't live with 'em, I'm gonna die without 'em

Sooner or later
You'll be a he man woman hater
It's inevitable

And to become one
You've gotta really hate to love them

He man woman hater

Sooner or later
You'll be a he man woman hater
It's inevitable

And to become one
You've gotta really hate to love them
He man woman hater

He man woman hater
You know I love to hate, 'cause I hate to love them
He man woman hater
I can't live with 'em, I'm gonna die without 'em

He man woman hater
I can't live with 'em, like to shoot them
