Hallelujah
Now I lay, I lay me down to sleep
Hallelujah
Almighty dollar
I praise the Lord afford my roll to keep
Hallelujah
Almighty dollar
Money
I need more money
Just a little more money
Yeah, I need more money
Money, money
I need more money
I need more money
Just a little more money
Just a little more money
Yeah, I need more money
Yeah, I need more money
And give us these days
Our daily bread
Only you we praise
Almighty dollar
Money
My personal saviour
Money
A material lust
Money
Life's only treasure
Money

In God we trust
And if I should die before I wake
Hallelujah
Almight dollar
I'm gonna take the money that I make
Hallelujah
Almighty dollar
Money
I need more money
Just a little more money
Yeah, I need more money
Money, money

I need more money
I need more money
Just a little more money
Just a little more money
Yeah, I need more money
Yeah, I need more money
And give us these days
Our daily bread
Only you we praise
Almighty dollar
Money
My personal saviour
Money
A material lust
Money
Life's only treasure
Money
In God we trust
