Everybody was born in it  
Sure as hell gonna die in it  
Some people don't give a shit  
Whether or not they're full of it

It's on my mind most of the time  
That's when you find, we all go blind  
Then it will start to get in our hearts  
It's gone too far, that's who we are

It's a monster  
(We all have within us)  
It's a monster  
(It's a monster)

It's a monster  
(Turns us into sinners)  
It's a monster  
(It's a monster)

Started when I played with it  
It turned into a habit  
And after that once you've been bit  
Oh, you can't seem to get rid of it

It's on my mind  
(On my mind)  
Most of the time  
(Most of the time)

That's when I find  
(That's when you find)  
We all go blind  
(We all go blind)

Then it will start  
To get in our hearts  
It's gone too far  
That's who we are

It's a monster  
(We all have within us)

It's a monster  
(It's a monster)

It's a monster  
(Turns us into sinners)  
It's a monster  
(It's a monster)

It's a monster  
(We all have within us)  
Say, it's a monster  
(It's a monster)

It's a monster  
(Turns us into sinners)  
It's a monster  
(It's a monster)

Everybody was born in it  
(Everybody was born in it)  
Sure as hell gonna die  
(Sure as hell gonna die)  
Some people don't give a shit

It's a monster  
(We all have within us)  
It's a monster  
(It's a monster)

It's a monster  
(Turns us into sinners)  
It's a monster  
(It's a monster)

It's a monster  
(We all have within us)  
It's a monster  
(It's a monster)

It's a monster  
(Turns us into sinners)  
It's a monster  
(It's a monster)
