As stories go,
This one's been told
Another heart broken,
Left out in the cold
With one variation,
The difference this time,
This one is mine,
Since you've been gone
You've stolen my heart
As for the rest of me
I've fallen apart
In my desperation
My only prayer
Handle with care

Cos I don't know
What to do
Wasting my time,
Wandering through
Wondering why
What's it all worth
My last hour on earth
My last hour

So in the end
You were the one
Something so right
Could never be wrong
Without hesitation
I'll tell you the truth
I'm still waiting for you

Cos I don't know
What to do
Wasting my time,
Wandering through
Wondering why
What's it all worth
My last hour on earth
My last hour

Cos I don't know

What to do
Wasting my time,
Wandering through
Wondering why
What's it all worth
It's worth everything
Yeah my everything is you
It's worth everything
Yeah my everything is you
It's worth everything
Yeah my everything
