Saying "I love you"  
Is not the words I want to hear from you  
It's not that I want you  
Not to say, but if you only knew how easy  
It would be to show me how you feel

More than words  
Is all you have to do to make it real  
Then you wouldn't have to say that you love me  
'Cause I'd already know

What would you do if my heart was torn in two  
More than words to show you feel  
That your love for me is real

What would you say if I took those words away  
Then you couldn't make things new  
Just by saying "I love you"

More than words

Now but I've tried to talk to you

And make you understand  
All you have to do is close your eyes  
And just reach out your hands  
And touch me  
Hold me close, don't ever let me go

More than words  
Is all I ever needed you to show  
Then you wouldn't have to say that you love me  
'Cause I'd already know

What would you do if my heart was torn in two  
More than words to show you feel  
That your love for me is real

What would you say if I took those words away  
When you couldn't make things new  
Just by saying "I love you"

More than words  
More than words  
More than words  
More than words  
More than words
