Mutha, don't wanna go to school today  
I think I'd rather go outside and play, yeah

They keep calling, asking me if I'll come in, is that a  
sin?

If being lazy is the only reason  
It's getting late, so Mutha, don't you hesitate  
To pack my lunch and I'll be on my way to school

Mutha, don't wanna go to school today  
I think, I'd rather go outside and play, yeah  
Mutha, don't wanna go to school today  
I think I'd rather go outside and play

Teacher's always looking down with her disappointed  
frown

Asking me to go sleep somewhere else  
My levelheaded Mutha, always said to one another  
That the truth will always hurt if you keep waiting  
I said waiting

Mutha, don't wanna go to school today  
I think I'd rather go outside and play, yeah  
Mutha, don't wanna go to school today  
I think I'd rather go outside and play

Mutha, don't wanna go to school today  
I think I'd rather go outside and play, yeah  
C'mon, mutha, don't wanna go to school today  
I think I'd rather go outside and play

Mutha, don't wanna go to school today  
I think I'd rather go outside and play, yeah  
Mutha, don't wanna go to school today  
I think I'd rather go outside and play
