Respect

Always everybody looking for some

Respect

Who do you think you're gonna get it from?

Respect

Anybody here deserving of none

Respect

So tell me, what makes you think

You're not the one

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

Respect

Why be concerned with public adulation

Respect

Pat on the back crying for attention

Respect

Finding out what it really means to me

Respect

Honor comes only after humility

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No respect, no respect, none

No, no, no, no, no

No respect
