Sex!

Sex on the brain pumped in my veins
Flowing from my head to my feet
Sex on TV rotation heavy
You and I are what we eat

Sex, when I'm all alone
It calls me on the phone
Can't stop this ringing in my ear
Sex in excess, filling all our senses
Keep saying there's nothing to fear

Can't you read the writing on the wall?
Can't you see the rising and the fall?
Oh, can't you see it?

All I see is pornograffitti
All I hear pornograffitti
See now, hear now
All I speak is pornograffitti
All I fear pornograffitti
Speak no evil

Sex in 3D, no evil eyes see
Too much of it and you'll go blind
Sex education, misinformation
Kiss me where the sun don't shine

Sex it surrounds me, pornograffiti
It's all so constitutional
Sex is literate, read all about it
But censor where you all can go

Can't you read the writing on the wall?
Can't you see the rising and the fall? Oh

All I see is pornograffitti
All I hear pornograffitti
See now, hear now
All I speak is pornograffitti
All I fear pornograffitti

Speak no evil

All I see is pornograffitti
All I hear pornograffitti
See now, hear now
All I speak is pornograffitti
All I fear pornograffitti
Speak no evil [Incomprehensible]

Say, say, say, say
Can't you read the writing on the wall?

All I see is pornograffitti
All I hear pornograffitti
See now, hear now
All I speak is pornograffitti
All I fear pornograffitti
Speak no evil

Can't you read the writing on the wall?
Can't you see the rising and the fall? Oh

All I see is pornograffitti
All I hear pornograffitti
See now, hear now
All I speak is pornograffitti
All I fear pornograffitti
Speak no evil

Sex sells, sex sells, sex sells
Sex sells, sex sells, sex sells
Sex sells, yeah
