My formal education  
Never bothered with my A B C's  
Teacher student relation  
Taught me all about the birds and bees

School boy fantasy  
Lose control of all my faculties

You know that one thing  
That got through to me  
Was her body chemistry  
Oh no

Subject to body language  
Ain't so hard to read between the lines  
I scored above average  
Oral examination is where I shine

School boy fantasy  
Lose control of all my faculties

Student body graduated  
At the highest degree

You know that one thing  
That got through to me  
Was her body chemistry  
Oh no

Purely scientifically  
Studied her anatomy  
Oh no, no

One thing that got through to me  
Was her body chemistry  
Oh no

Purely scientifically  
Studied her anatomy  
Oh no, no

One thing that got through to me

Was her body chemistry

Purely scientifically  
Studied her anatomy

One thing that got through to me  
Was her body chemistry

Purely scientifically  
Studied her anatomy

Teacher's pet, teacher's pet  
God only knows that's  
What you do to me

Oh no
