You always said too much

If you're ever lost come on back

I'll sing you a new name and face

If you're ever lost

I know you'll be coming back

Cause it happens inside the heart, the soul

You know

The devil's coming back, again

The devil's coming back, again

You know

The devil's coming back, again

See you next time Pop.Fiction

The devil's coming back, again
