Cause when it rains it pours in this town
A little darkness closes in
When you're not around I hope somehow that you can
feel me
Cause miles don't mean anything

And I've been unable to push you away
You had me able to understand life like a game we play
You're not afraid of it all
And I've been unable to get you away
To talk about the things I wish I could say
Do you know your worth?
Cause everyday I pray for your world.

Cause when it rains, it pours in this town
AS little darkness closes in
When you're not around I hope somehow that you can
feel me
Cause miles don't mean anything
More than time exists
We're over the momentary fix
Cause I've never felt so strong
Maybe I'm just wrong
But I don't think so
And miles don't mean anything

Miles don't mean anything

Late night spent wondering what I'm gonna do with
myself
I'm always stuck inside my head or my heart
You stole my heart

Cause when it rains, it pours in this town
AS little darkness closes in
When you're not around I hope somehow that you can
feel me
Cause miles don't mean anything
More than time exists
We're over the momentary fix
Cause I've never felt so strong

Maybe I'm just wrong
But I don't think so
And miles don't mean anything
