I told you once
Keep back, I don't wanna talk anymore
This isn't hurting you
That I know of
Just keep back, I don't wanna see you at all
Cause I've been up and down and all around
And all the time I'm thinking to myself I've got all the
time

Cause I've had all the time in the world
To make this all seem so right
My wings at the ready

We are the loneliest
My friend, we laugh at lonely
My friend
My soul, my surrender
We are the loneliest
My friend, we laugh a lonely
Oh my soul

My surrender

Well I'm going down now with the ship
I don't know where I'm headed
But if I did I'd make a map and sink it to the sea
Cause I'm thinking I've got all the time

Cause I've had all the time in the world
To make this all seem so right
My wings at the ready

We are the loneliest
My friend, we laugh at lonely
My friend
My soul, my surrender
We are the loneliest
My friend, we laugh a lonely
Oh my soul

My surrender

We are the loneliest
My friend
My soul
We are the loneliest
My friend
My soul, my surrender

(We were all caught in the wake of your sovereign law)

We want the air waves back
This is the shape of things to come
