Your kisses kill me
What a way to die
Oh baby, thrill me
Now's the time to try

Come on and crush me
Listen to me sigh
The more you rush me
The more you satisfy

You changed my way of livin'
From this life I've led
All the love you're givin'
Just knocks me dead

Come on firmly and kill me
Flip me to the sky
Your kisses kill me
What a way to die

[BRIDGE]

Well you changed my way of livin'
From this life I've led
Baby all the love you're givin'
Just knocks me dead

Come on firmly and kill me
Flip me to the sky
Your kisses kill me
What a way to die

Hey kiss me!
What a way to die!
