What can I say to her to make her change her mind.
She'd end it all over the wall and have one famous last
line.

Disappointed in the way it turned out,
Disappointed that you're not all about the things that
make the world ok and make me wanna live for one
more day.

What can I say to her to make her change her mind,

She'd end it all over one call, even after all this time.

Disappointed in the way it turned out.

Disappointed that you're not all about the things that
make the world ok and make me wanna live for one
more day.
