We need your blood
We need your flesh
We want to see you fade to black

Do you like our white skin?
Do you like our eyes?
Do you want to follow us through the night?

We are your pleasure,
We are your destiny...
We are your pleasure,
We are your destiny...

We're living in the the darkness,
We hate the day
We're hunting in the night,
Take your children away

Your blood is our pleasure we want your soul
You will never die as a child of the night

We're living in the darkness,
We hate the day
We're hiding in the shadow,
To the moon we pray

We are the creatures of the night,
We want your blood
We're the seduction of evil,
Want to conquer your world

We want to kiss your neck
We want to lick your blood
Like a taste of sin

You will live forever
You will never die
Come and take my hand

We're living in the darkness,
We hate the day
We're hunting in the night,

Take your children away

Your blood is our pleasure we want your soul
You will never die as a child of the night

We're living in the darkness,
We hate the day
We're hiding in the shadow,
To the moon we pray

We are the creatures of the night,
We want your blood
We're the seduction of evil,
Want to conquer your world
